I would like to take this opportunity to express my appreciation to everyone that is involved with Industrial Rubber, Inc. IRI has been in business for more than 40 years serving our customers all over the world with excellent products. Industrial Rubber is a leader in Oilfield Manufacturing. We strive to bring you the finest products. My dedicated staff and I work diligently to make that happen. We use the latest computer technology to improve our quality control and production. We are aware that the requirements in the field vary with every situation. We get our products to our customers as quoted and in the most efficient manner possible.

Our headquarters and our manufacturing plant are located in Oklahoma City, Oklahoma, U.S.A...

I am excited about the new challenges ahead. We are looking forward to providing our customers with the same excellent service that they have come to expect from Industrial Rubber, Inc.

Feel free to call or email us. We will get back to you with your questions answered or a quick quote if that is your requirement. We are confident that you will be pleased with the quality, speed of delivery, and of course, the cost of our products.
